Sanitiser stand XL

The robust and economical solution for hand hygiene in public spaces, developed especially for high-traffic areas. The battery-operated sanitiser stand with sensor dispenser is supplied by the Satino by WEPA OEM 5-litre canister.

HIGHLIGHTS:

- LED filling level indicator
- Carrying handle for easy handling
- Touch-free hygiene and convenience thanks to Satino sensor dispenser
- Easy to clean due to anti-fingerprint coating
- Integrated drip tray
- Lockable storage compartment for consumables in the base of the stand
- approx. 1,562 applications* (SF3 OEM Satino canisters)

Easy. Clean. Professional.

A brand of WEPA PROFESSIONAL

WEPA Professional is a 100% subsidiary company of the WEPA Group.

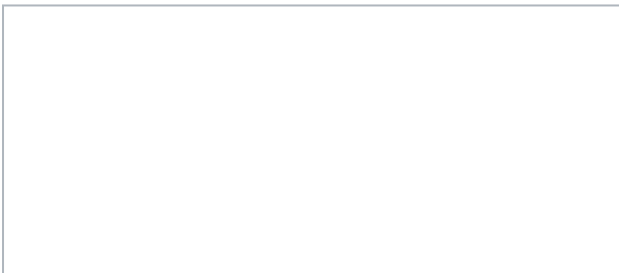

With more than 3,900 employees and 13 locations in Europe, we play in the premium league of European hygiene paper manufacturers. This guarantees you all the advantages of a nearly “local production” of market-driven quality established throughout Europe at an advantageous price with first-class, reliable service.

Environment & responsibility

As a responsible manufacturer of hygiene paper, the WEPA Group has been devoting special attention to sustainable resources and eco-friendly paper production for many years.

The majority of our hygiene paper is 100% recycled, with FSC® or PEFC certification. In addition, the WEPA Group is certified according to ISO 9001 and ISO 14001 and is committed to the EU Ecolabel and the Blue Angel.
